Directions: Complete a bubble map for Jamie Farrell. Remember, the bubble can only include adjectives. The box around is your evidence of how you know! (THAT MEANS GO BACK TO THE STORY TO FIND EVIDENCE!)

Directions: Complete a DOUBLE BUBBLE map that compares Jamie Farrell to a typical middle school boy. Use the bubble map that you just created and the notes from our class discussion about what a realistic middle school boy might be like. Remember, the DOUBLE BUBBLE MAP DOES NOT NEED TO BE JUST ADJECTIVES! The box around is your evidence of how you know! (THAT MEANS GO BACK TO THE STORY TO FIND EVIDENCE!)
